Community Liason and Outreach

— “

I come from Eagle Pass, Texas but currently reside in Eugene, Oregon. I am an undergraduate at the University of Oregon and planning to graduate with a bachelor's in Planning, Public Policy, and Management. I enjoy hiking, cooking and giving back to the community wherever I am not working or in classes. I started working at MERIT as an intern during the summer of 2018 and now enjoy working as a Community Liaison. MERIT's vision and plan to help those who need it has continued to inspire me through my work on and off the job and I am excited to help and serve whoever needs it. I have gotten so much help from my community when I needed it and it means a lot to be able to return the favor and help where I can and MERIT helps fulfill this.
